

LABELLING TAPE

The multi-purpose tape is designed to provide the perfect solution to a wide variety of Labelling needs. Tape is strong, durable, oil & abrasion resistant, waterproof, and non-staining. It is great for general identification and color-coding purposes. This tape can withstand temperature ranges from -23° to +121°C. It can easily accept marking using pen, pencil, or permanent marker.

Sr. No.	Cat. No.	Color	Size	Temperature	Pack Size
